

Be A Poll Worker

Why should I be a poll worker?

- Get the chance to participate in the electoral process while making money!

Who can work the polls?

- Any voter who is registered in the county they wish to volunteer.
- Even high school students ages 16 to 18 years of age can work the polls on Election Day in certain counties.

How much will I get paid?

- Depending on the county, poll workers may earn anywhere from \$70-\$200 for working the polls on Election Day.

How do I become a poll worker?

- Hoosiers should contact their county clerk's office or local political party to sign up.
- Contact information for county clerks' offices and the state political parties, as well as online poll worker training, is available at www.workthepolls.in.gov
